Good morning Child Care and Before- and After-School Program partners,

In response to Environment Canada's continued Snowfall Warning for the City of Toronto and the expected snow throughout the day, please note **all TDSB schools and sites are closed to students and staff today, including child care and before- and after-school programs located in TDSB schools**. Please ensure you connect with the families of your programs accordingly.

We recognize that these decisions can have a significant impact on thousands of families across Toronto and are not taken lightly, however given the continued weather forecast, we felt it was prudent to make this decision with the safety of our families and staff as our top priority.

Learn more about how we handle [snow and cold weather](#) and be sure to check [our website](#) and social channels for the latest news and updates.

Thank you for your understanding,

Child Care Services
