Dear Child Care and BASP Colleagues,

As the 2025/26 school year comes to a close, we would like to take a moment to acknowledge you, our valued child care and BASP partners. We thank you for your continued partnership and commitment to providing excellent and essential services for our current and future students.

To those of you who will be expanding your programs in the Fall to support community needs and serve more children and families, we thank you for your responsiveness and dedication. Expanding the child care and BASP system is a collective win for all our communities, and we truly appreciate your efforts.

While some of you will be wrapping up operations with the end of the school year, many of you will be ramping up for fun and exciting summer programs. We wish you all a safe and happy summer.

As a reminder, the TDSB Child Care Services office will remain open over the summer, so please feel free to reach out to the team should you require our support.

Happy Summer!
