

Frequently Asked Questions

1. How can I register for a Learn4Life course?

Online registration is available, and learners who wish to register in person are encouraged to call 416-338-4111 ahead of visiting the Learn4Life office. Please notify us in advance if you require any accommodations. Once registration opens, please visit the website at www.learn4life.ca and use your VISA or MasterCard to pay. *Notice to users of pre-paid credit cards:* although the system will accept a pre-paid credit card, it is not recommended to use a pre-paid VISA or MasterCard when registering for a course. Learners will be responsible for tracking of refunds that may be processed back to the credit card.

2. Is an email address required to create an account?

Learn4Life moved to a new registration system effective November 2020. Previous PIN and CLIENT Numbers will not work in the new system. A new account is required to register, and an email address is needed to create an account. The email address used, will be your Username. All learners must create an account before attempting to register, including learners accessing the subsidized rate. **NOTE: If you created a new account after November 2020, there is no need to create another one.**

3. I registered for a course using the online registration system; will I receive confirmation and/or a receipt?

If you have successfully registered for a course, you will receive an email from "no-reply@ebasefm.com" with your registration receipt. Please check your junk mail folder if you have not received the email. Also, you may want to check the spelling of the email address used to create your account and that it is correct.

4. The class I want to register in is full, and I have added myself to the waitlist. Am I registered for the course and will I be charged?

Payment is processed only when there is a successful registration. Adding your name to the waitlist does not mean you are registered in the course and will therefore not be charged. We will make every attempt to contact learners who are on a waitlist when space becomes available.

5. I am registered for a remote course, when am I supposed to get the link for the class?

Classroom links are now available on the Learn4Life registration site. Before the start of the class, the link will be available in the program information window under the Virtual Meeting section. To access the link for the class you are registered in, log into your TDSB Learn4Life account, the My Programs section lists all classes you are currently registered in. Click the program you want to launch; the program information window will appear. Simply click the link which will redirect you to the online platform. The same link will be used for the duration of the class.

Note: to avoid missing your remote class when the site is down due to maintenance, it is recommended to copy and save the classroom link in another location on your computer for use throughout the term.

Dependents must add an email address on their profile to receive all email communication from Learn4Life. **Note:** If there are multiple users on an account, the system automatically picks the main account holder's email address on the account. To avoid this, each dependent must add their email address on their profile.

It is not mandatory to have a camera, but it is recommended so the instructor is able to see you and interact. This makes for a much more engaging experience during the class.
