Happy 25th Annual Child Care Worker and Early Childhood Educator Appreciation Day!

Dear Child Care and BASP Colleagues,

On behalf of the Toronto District School Board, we would like to take a moment to express our sincere gratitude and recognition of the valuable contributions of you, our Child Care and Before- and After-School Program Partners, on the 25th annual Child Care Worker and Early Childhood Educator Appreciation Day. As stated in our [Early Learning & Care](#) Policy, the TDSB recognizes the importance of the early years in a child's life and the profound impact it has on their future learning. Your ongoing dedication, skills, and commitment to our current and future students, and their families, is very much appreciated today, and every day.

This year's theme for Child Care Worker and Early Childhood Educator Appreciation Day is "Care Counts". We invite you to help celebrate the dedicated professionals who work in our system by visiting the ["Latest News" section of our public website](#) to watch a video about the fulfillment they experience in their roles and working closely with children and families.

With appreciation,

Cynthia, Liz, Leslie, and Nadie
