

April 28, 2020

To School Council Chairs and Co-Chairs:

Public consultation for the Specialized Schools and Programs Policy began on March 9, 2020 and was slated to close on April 20, 2020. Given the current school closure, consultation will be **extended to the fall**, including the opportunity for face-to-face consultation.

School communities can continue to provide feedback on the [draft policy](#) through our survey.

This short [video](#) gives an overview of the proposed policy, and the survey can be found on the [Policy Consultation](#) page.

We also encourage communities to continue to provide your thoughts, suggestions and feedback on the [Secondary Program Review](#) by emailing [secondary.review@tdsb.on.ca](mailto:secondary.review@tdsb.on.ca).

In the fall, information about consultation dates for this policy will be shared with School Council Chairs through your principals and through the Parent and Community Engagement Office.
