

Effective Governance

What is our goal?

To review and enhance existing governance practices to facilitate achievement of the goals in the Board's Multi-Year Strategic Plan.

How will we achieve it?

- Develop a Trustee Orientation Program, materials and other learning opportunities to promote effective governance, including: Board Committee Reporting Process and associated best practice for Committee Chairs, Vice-Chairs and senior staff, Board Bylaws and parliamentary procedure, effective Board reports and motions, as well as policy development, implementation and communication
- Explore Self-Assessment Tools for the Board and its Committees to measure and improve effective governance practices (Fall 2018 – December 2019)
- Align MYSP action plans over four-year term of office for Trustees (2019 – 2022)

How will we know we are successful?

- The Board will be able to assess and improve its governance practices.
- The Board's Committee Reporting Process will be aligned strategically to support the goals in the Multi-Year Strategic Plan over a four-year period.
