Make Your Payment in Five Easy Steps

1.	OPEN THE TDSB FLYWIRE PAYMENT LINK Use the TDSB Flywire Payment Link for current-student renewals and other payment-only transactions .
2.	CREATE YOUR PAYMENT REQUEST Follow the Flywire prompts, select the country or region you are paying from and choose from the available payment methods. Enter the payment amount.
3.	ENTER PAYER AND STUDENT DETAILS Enter the information for the person making the payment and provide the requested student information. For current-student renewals, enter the student's TISP ID in both the Student ID and Invoice Number fields.

Good to know

- New students submitting an application must apply and pay through True North. Do not use this direct payment link for a **new application**.
- Create a new Flywire payment request for each payment. Do not reuse an old Payment ID or previous bank-transfer instructions.
- For current-student renewals, enter the student's TISP ID in **both** the Student ID and Invoice Number fields.
- Available payment methods vary by country, currency and payment amount. Flywire may request additional information or documents for some payments.

Keep your Flywire Payment ID until the payment is complete.
