Alpha II Alternative School (Sec)

- Education as unique as each person. For youth ages 11-18 (grades 7-12).
- A vibrant community of self-directed learners who take responsibility for their own education.
- With help from our teacher-mentors, mentees (students) direct their own learning and manage their own time based on their interests and values.
- Mentee-led ideas and consensus-based decisions guide the direction of the school.
- This school does not offer high school credits or an Ontario Secondary School Diploma (OSSD).
- Alpha II is one of the only publicly funded free schools in the world.
