

# Waste Audit Safety

## Getting ready

1. Wear shoes that protect your feet
2. Roll up your sleeves/remove jacket
3. Wear older clothes, an apron, or create a coverall from a garbage bag
4. Pull back and secure long hair
5. Wear gloves when handling garbage
6. Wear a face mask if allergic to dust
7. Have a First Aid kit available

## During and after

1. Wait for instructions before starting to sort
2. Direct dangerous items to the audit leader
3. Pass, do not throw, sorted items
4. Do not touch your face during the audit
5. Clean up spills promptly to prevent slipping
6. Wash your hands after the audit and before going to the bathroom or getting a drink
