

Toronto District School Board
EQAO Grade 9 Assessment of Mathematics Levels 3&4, 2017-2018

¹ Method 1: All Students (results are reported for all students in the course).

² Method 2: Participating Students (excludes the "no data" category).

³ N/R: "Not reported" indicates that the number of participating students in a school is so small that identification of individual student results might be possible; therefore, results are not reported.

⁴ N/D: "No data available" is used to indicate that there were no students in the course for the year specified.

For further details please visit <http://www.eqao.com>
