

SCHOOL COUNCIL INSURANCE

School Council Insurance is available through the Ontario School Boards' Insurance Exchange (OSBIE), offering the TDSB School Council's a \$2 million liability insurance policy. The policy is for a period of one year, commencing November 1st of each year.

School Council Insurance is recommended for School Councils that organize activities, **not** under the control of the school principal or designate, as these activities are covered by the TDSB's insurance. A School Council event is one that may be school supported, with the principal or designate in attendance and on school property but is under the direct control of the School Council.

The liability coverage provides protection for the School Council Executive Members and all volunteers acting on behalf of the School Council that may face lawsuits arising out of their activities for the School Council. The coverage is for various types of liabilities arising out of injuries to third parties or damage to leased or borrowed premises.

Insurance Coverage Highlights:
