

First Nations School of Toronto Aboriginal Education Centre

January 18, 2018

Community Meeting

Change to the Pedestrian Pathway on the Playing
Field

7:00-8:00pm

Agenda

- Welcome
- Opening and Recognition of the Traditional Territories:
Dr. Duke Redbird
- Introductions and the agenda
- Program highlights at First Nations School of Toronto
- Program highlights at the Aboriginal Education Centre
- Pathway change rationale and proposal
- Questions
- Meeting close and next steps

Rationale

- Safety and security of K-8 elementary students in the playing field area
- Safety concerns in the bussing drop off area
- Planned work (parking lot, enhanced accessibility, hard surface play area, UICE community hub) on the west side of the school which will directly impact on the pathway area closest to the school
- Opportunity to work with the Pocket Association on a community garden

Proposed Change

- Tom Schloessin, TDSB Architect

Q and A, Next Steps

- Feedback considered from the community meeting and any revisions made
- Once plans are finalized and the timeline for all the full site work is determined going forward, information regarding pathway changes will be shared with the The Pocket Association
- Letter to the community with proposed changes to the pathway posted (and possibly other site work) on the FNST website (link will be in the letter)
