**PIAC** Members are elected parent volunteers who form an Advisory Committee of the TDSB. Each TDSB Ward has two PIAC Members, a Representative and an Alternate. Ward Representatives and Alternates are advocates who

- provide information and advice on parent engagement to the TDSB;
- communicate with and support school councils of schools; and
- undertake activities to help parents of pupils of the board support their children's learning at home and at school.

The **FSLCAC** is comprised of parent representatives and alternates elected by each ward council, a parent co-chair elected by FSLCAC parent members, a trustee co-chair and designated TDSB staff. We meet every four to six weeks during the school year at the TDSB offices at 5050 Yonge St. The FSLCAC consults with and advises the Board on French as a Second Language matters and contributes to the work of trustees and staff. This partnership of trustees, staff and parents fosters excellence and growth in FSL programs at the Board.
