Dear parents and neighbours,

I am writing to invite you and everyone to come to my next Ward Council Meeting to share ideas and address concerns. School council chairs and co-chairs, please come and share with us updates from your schools.

Richard Christie, Senior Manager of the TDSB Urban Sustainability office will also be on hand to speak about Eco Schools and the central focus of supporting students and staff in learning about, caring for, and protecting the environment starting right in their own school. Bethune students will then lead us on the tour of the school presenting their greening initiatives and other environmentally responsible projects.

I look forward to seeing you on June 1st.

Sincerely,

A handwritten signature in cursive script that reads "Manna".

YOU'RE INVITED!
