As the elected public school board trustee for your community, my role is to advocate for you and your child, and to represent the needs of all students and families in the Toronto District School Board.

After more than two years of the pandemic, we are preparing to welcome students and staff to a more normal school year in September. While most COVID-19 measures have been lifted by the Government of Ontario, the health and safety of our school communities remains our top priority. The TDSB will continue to monitor the pandemic and follow the guidance and direction from the Ministry of Education and public health officials as needed.

We know that school can be an exciting and overwhelming time – for both students and parents/guardians. To help you and your child have a great year, please visit [www.tdsb.on.ca](http://www.tdsb.on.ca) for information and supports for students on the school year calendar, transportation and getting involved, as well as resources for homework and so much more. The Toronto District School Board is also here to support you and your family's mental health and well-being needs. For a list of tools and resources, including those tailored for students and parents/guardians, please visit <https://www.tdsb.on.ca/Mental-Health-Well-Being>. As well, the TDSB is proud to serve Adult Learners at all stages in their lives and careers through our credit programs, general interest courses and ESL classes, please visit [www.tdsb.on.ca/High-School/Adult-Learners](http://www.tdsb.on.ca/High-School/Adult-Learners)

Lastly, I want to thank you in advance for your understanding, patience and partnership as we work together to welcome both students and staff back to school.
