

January 5, 2021

Dear George Harvey CI and York Memorial CI Students, Parents, Staff, and Community:

On February 5, 2020, the Board of Trustees approved a pupil accommodation review that involves George Harvey CI and York Memorial CI. A pupil accommodation review is a public consultation process that school boards conduct to determine the future of a group of schools.

In April 2020, we informed you that the consultation meetings that are part of the pupil accommodation review were cancelled as a result of the shutdown due to COVID-19, and that new dates for the meetings will be set for when schools and administrative buildings have reopened. We also informed you that the review will be extended into the 2020/21 school year.

This letter will provide you with an update on the next steps of the George Harvey CI and York Memorial CI pupil accommodation review:

### **Timeline:**

The George Harvey CI and York Memorial CI pupil accommodation review will resume in early 2021. The updated schedule for the completion of this review is **June 2021**, which is when staff would submit the final staff report to the Board of Trustees for approval of recommendations.

### **Consultations:**

In order to ensure the safety of the public during COVID-19, the consultation meetings will be held virtually. When the dates for these meetings have been confirmed, we will communicate them to the community. The survey will also be reopened to the public early in 2021.

### **Scenarios:**

Before COVID-19, the community was consulted on five scenarios, each presenting potential options on the future of George Harvey and York Memorial students and staff. However, due to the delay caused by the pandemic, **Scenario 2 has been removed** from the list of scenarios and is no longer an option for consideration. Scenario 2 originally

stated that George Harvey CI and York Memorial CI students would be consolidated into the George Harvey building in September 2021, until the new rebuild on the York Memorial site is complete.

For further details on the rest of the scenarios, please refer to the next page of this letter.

## **Pupil Accommodation Review of George Harvey CI and York Memorial CI**

### **The Updated Scenarios Under Review (they have been re-numbered):**

**Scenario 1 – Status Quo – No Consolidation** --- York Memorial CI students and staff will continue to be accommodated at the Scarlett Heights site until the rebuild of York Memorial CI is complete. George Harvey CI students will remain at their site.

**Scenario 2 – George Harvey and York Memorial Consolidate in 2022** --- York Memorial CI students and staff will remain at the Scarlett Heights site for two school years (2020-21 and 2021-22). In 2022, they will consolidate with the George Harvey CI students and staff (become one school) and move into the George Harvey CI building. The consolidated school will move into the rebuild on the York Memorial CI site in 2026.

**Scenario 3 – George Harvey and York Memorial Consolidate in 2026 at the Rebuild on the York Memorial CI Site** --- George Harvey CI and York Memorial CI will operate on two separate sites and will consolidate as one school in the rebuild on the York Memorial CI site in 2026. This means York Memorial CI will continue to operate on the Scarlett Heights site until the completion of the rebuild.

**Scenario 4 – George Harvey and York Memorial Consolidate in 2026 as a Campus Occupying the Rebuild on the York Memorial Site and the George Harvey Building** --- George Harvey CI and York Memorial CI will operate on two separate sites until the rebuild on York Memorial CI site opens in 2026. The two schools will consolidate in 2026 and become one school. The consolidated school will occupy the rebuild on the York Memorial CI site and the George Harvey CI building and function as a campus – one school with one timetable, using two buildings (i.e. students will be moving between the two buildings).

**Note:** The **former Scenario 2 has been removed** and is no longer under consideration because of the change in timing of the review process. This scenario proposed that George Harvey CI and York Memorial CI students would be consolidated into the George Harvey building in September 2021, and remain there until the new rebuild on the York Memorial site is complete.
