Ward 8

Year	Study Type	Description of the Study
Underway	New Program Study	Phase 2 of the Yonge-Eglinton review will begin with a staff study in 2020-21. This review will focus on options to balance enrolment within local elementary schools in Wards 8 and 11, and will include consideration of the Bannockburn building to resolve ongoing accommodation pressures. A review had previously been struck but was paused in April 2019 to allow system-wide initiatives like the French and Secondary Program Reviews to be undertaken.
Underway	Program Relocation Study	The Secondary Program Review is a wide-ranging and evolving process that does not allow for an immediate opportunity for local secondary schools to be reviewed at this time. Longer-term accommodation pressures within a broader area that includes local secondary schools will be addressed in third phase of this review. Explore the relocation of the existing Extended French program operating at Eglinton Jr. PS (4-5) and Hodgson MS (6-8).
Underway	Emerging Capital Priority	Explore opportunities to secure space for up to 800 elementary pupil places within the Yonge-Eglinton area. This will include the pursuit of innovative partnerships with the City of Toronto and the broader development community. This will require a long-term capital funding solution and the acquisition of a site and/or strata ownership to ensure that the ability to accommodate long-term enrolment growth is secured. The provision of new elementary school capacity has also been acknowledged as an infrastructure priority by Toronto City Council.
Underway	Emerging Capital Priority	Submit a business case to support the construction of additional pupil places (5 classrooms) at Davisville Jr. PS. This is a previously-approved replacement school that requires additional pupil places.
Underway	Program Priority	In light of the increasing enrolment in French programs combined with the concerns from many stakeholders about transportation, entry points, location of programs, staffing and

This work will include a review of related policies, procedures and practices.</p>

2023-24	Boundary Change Study	Explore a boundary change between Deer Park Jr. & Sr. PS, Forest Hill Jr. & Sr. PS, including associated secondary pathways, to address instances of dividing neighbouring addresses along residential streets.
2024-25	New Program Study	Phase 3 of the Yonge-Eglinton review will be undertaken as a means to address continued projected enrolment growth and accommodation pressure at local elementary schools in the area (Ward 8 and 11) beyond the solutions identified in phase 2. Phase 3 will bring school communities together to discuss a wide range of accommodation solutions that extend to local secondary school buildings and their ability to address long-term enrolment pressures at local elementary schools. Options for the use of secondary schools may be influenced by the outcomes of the system-wide Secondary Program Review as the process evolves.
