

Trustee  
**Stephanie Donaldson**

Ward 9, Davenport and Spadina-Fort York

Dear Parents, Guardians, Students and School Communities,

I am excited to bring you a greeting to kick off 2019 and introduce myself as your new Trustee for Ward 9: Davenport and Spadina-Fort York! I hope you and your family and friends had an enjoyable and safe holiday season and a smooth transition back to school.

As the elected public school board trustee for Ward 9, my role is to advocate for you and to represent the needs of all students and parents/guardians in system-level decision making for the Toronto District School Board. As a TDSB parent myself, I have always found the Parent Concern Protocol immensely helpful in directing my questions and concerns so I have included a copy of it on other side of this letter for you.

Working together across the system, all trustees are engaged in fulfilling the Multi-Year Strategic Plan. This plan is focused on ensuring that all students have equal access to programs, resources and opportunities that will help them reach high levels of achievement and well-being. You can read more about the plan, and the accompanying action plans, by visiting [www.tdsb.on.ca/myasp](http://www.tdsb.on.ca/myasp).

Your involvement in your child's education and school life is my priority, and one of my key goals is to help facilitate your engagement in their learning and your school's improvement plan. I look forward to working with you, your School's Advisory Council and your community to fulfill our high expectations for equity and our students' achievement and well-being.

It is my pleasure to invite you to attend our first **Ward 9 Forum** on **January 31, 2019** from 6 p.m. to 8 p.m. at Bloor Collegiate Institute, 1141 Bloor St W, just steps away from the Dufferin subway station.

To stay informed, please sign up for my e-newsletter at [stephanie.donaldson@tdsb.on.ca](mailto:stephanie.donaldson@tdsb.on.ca) where you can find information about what is happening in our Ward, as well as future Ward Forum meetings.

Thank you. I look forward to working in partnership with you!
