Interesting Feature

French Immersion

Cedarbrae Collegiate Institute, offers strong academic courses, unique and special programs, and an exceptional range of co-curricular activities. In meeting the needs of a diverse, multicultural community, we strive to foster mutual respect, to encourage participation, and to develop life skills. The school also has a large Extended French and French Immersion program. A wide selection of courses and co-curricular activities are offered in French. Students participate successfully in speech and writing competitions in French.

Hic Patet In Genius Campus - "Here is a place where talent thrives"

Cedarbrae Collegiate Institute, one of the largest facilities in the Toronto District School Board, offers strong academic courses, unique and special programs, and an exceptional range of co-curricular activities. In meeting the needs of a diverse, multicultural community, we strive to foster mutual respect, to encourage participation, and to develop life skills. The school also has a large **Extended French and French Immersion** program. A wide selection of courses and co-curricular activities are offered in French. Students participate successfully in speech and writing competitions in French. They also are involved in exchanges to locations in Europe in senior years.

Cedarbrae's Tradition

Cedarbrae has a tradition of excellence in core subject areas, including mathematics, English, science, languages, and social sciences. There is a complete range of business, and computer courses. We have a specialized commercial and fine- arts program, including illustration, information design, drawing and painting, desktop publishing. Dramatic arts, drama technology, instrumental music and vocal music are also available. We have developed an Entertainment Technology Special Program for students who are interested in careers in theatre and film working behind the scenes. Co-op education is available in almost every subject in the school.

Technology Program

Our Technology Program offers courses in communications, design and construction, digital photography and a new Woodlinks program in partnership with the Wood Manufacturing Council. You can continue through to apprenticeship programs if you wish.

English as a Second Language

We welcome everyone to our school. We offer extensive English as a second language (ESL) and English literacy development programs such as Language Enrichment Academic Program (LEAP). We begin assisting you when you apply to our school and we continue to support you throughout your school career.

Nutrition for Learning

We offer a full breakfast for any student every school day. Our volunteers prepare a nutritious breakfast based on the Canada Food Guide and the Student Nutrition program. We also offer a snack program each morning before classes begin.

Additional Features

- Future Aces Program
- Vocal and Band Program
- Breakfast Club
- Steel Band
- Extensive Sports Program
- Lunch Time Intramurals
- Silver ECO School
- Sears Drama Festival

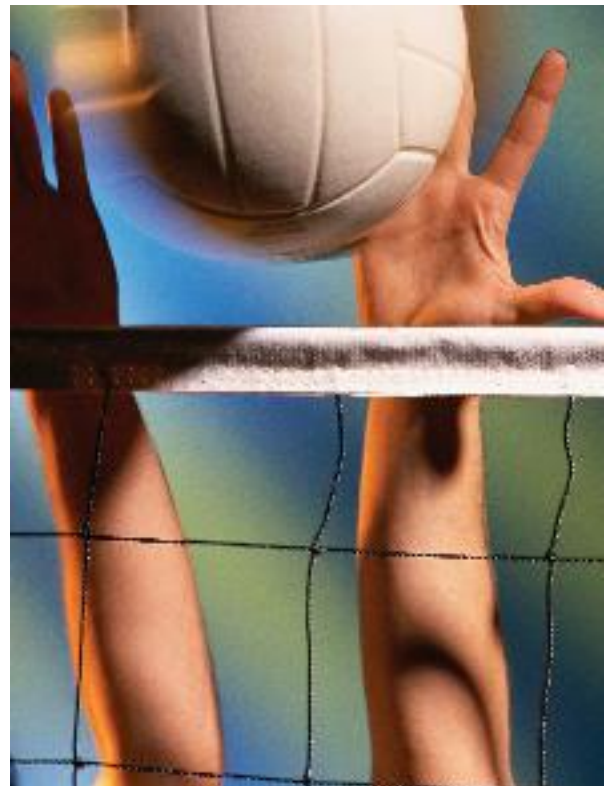

Student Life - Where You Belong

Cedarbrae offers a wide range of curricular and co-curricular choices. We are partnered with Scarborough Hospital, creating an unique opportunity to explore careers in health care. You can also volunteer at the hospital to complete your 40 hours of community service.

What Sets Us Apart

At Cedarbrae you can find excellent instruction and exciting teams and clubs. Cedarbrae Colts have won many team and individual championships.

Parent and Community Engagement

- School has links with the Cedarbrae Public Library, Cedarbrae Mall, Scarborough Hospital, General and Grace locations. - The school also works with Toronto Volunteer Association-Scarborough Branch. - Affiliation with 43 Division of Metro Police through the School Action Team (SAT) - - - - - School Council meets monthly six to eight times a year to advise administration on matters relating to policy and students. A full slate of council executive is in place. - School Council has undertaken a series of guest speakers for a number of areas to help inform parents of the challenges faced at home and school. - - - - -

TDSB - Better Schools. Brighter Futures

Imagine a TDSB where all schools share a common core set of characteristics. They are community-driven and focused on teaching and learning. Students and parents have a wide variety of opportunities and there are enough students in every school to increase program choices.

Imagine there is a clear focus on achieving student success and every student is engaged, has a voice, access to a caring adult and the opportunity to develop their full potential.

Here at the TDSB our focus is on student achievement, parent and community engagement and financial stability.
