The Centre of Excellence for Black Student Achievement invites Black-identifying TDSB students in Grades 11 & 12 to participate in the Interac Experiential Learning Program.

This program offers paid experiential learning opportunities with Interac and focuses on creating meaningful and impactful professional development programming. Interac will provide four engaging in-person sessions aimed at developing students' transferable skills and building relevant competencies for today's workforce. In-person sessions are from 12:30 - 5 PM on January 17, February 29, March 20 and April 24 at Interac Corp. 200 Bay St., Suite 2400. Limited spots available!

Sessions include:

January 17 - Personal & Professional Branding

March 20 - Coding 101

February 29 - Innovation Lab Challenge

April 24 - Pathways to Success
