<ul style="list-style-type: none"> <li>– <b>Agree/Yes (x 4)</b></li> <li>– Good decision – hope it works</li> </ul>	<ul style="list-style-type: none"> <li>– <b>Agree/Yes (x 5)</b></li> <li>– Okay if this is normal – go ahead</li> <li>– Highly support the change</li> <li>– Would like to investigate option of daycare at Zion or having before school programs/activities or homework club (start at 8 am) and after school (ideally until 6 pm)</li> <li>– Please do not move Grades – move programs first! Step by Step is an appropriate approach to reach intended objectives and to mitigate the risk of future unbalance of school attendances.</li> </ul>	<ul style="list-style-type: none"> <li>– <b>Agree/Yes (x 2)</b></li> <li>– 100% support this</li> <li>– You have not clarified where students with Autism will go after Pineway</li> <li>– Needs a good bussing schedule</li> <li>– Need to involve daycares</li> </ul>	<ul style="list-style-type: none"> <li>– <b>Agree/Yes (x 4)</b></li> <li>– 200% support this</li> <li>– Makes geographical sense</li> <li>– Anecdote – I went from Gifted program at Zion to Gifted at Earl Haig when I was in school (thus no schoolmates lived near me)</li> <li>– I and many other parents who could not attend today’s meeting strongly disagree with the proposed change of Gifted pathway from Cummer Valley to Zion. We hope the current pathway to Cummer Valley will stay.</li> </ul>	<ul style="list-style-type: none"> <li>– <b>Agree/Yes (x 3)</b></li> <li>– Will this make an over long bus ride for young students?</li> <li>– Thank you very much for your work and not closing any schools. Support the change.</li> </ul>	<ul style="list-style-type: none"> <li>– <b>Agree/Yes (x 4)</b></li> <li>– Clarify is always easier to work around</li> <li>– Good move but will need more daycare and bussing</li> </ul>
<p><b>General Comments –</b></p> <ul style="list-style-type: none"> <li>- Three public consultations in 3 days is not enough to get parent’s voice heard</li> <li>- We hope the Lescon PS Gifted Program can move to Cummer Valley</li> </ul>
