June 26, 2017

Dear Parents/Guardians and Community Members:

I am writing to inform you that the recommended boundary changes for the new Avondale PS were approved by the Board of Trustees on Wednesday June 21, 2017. These changes reduce over-enrolment at area schools, minimize the use of portables, avoid bussing and maintain the ability to make future changes.

I would like to take this opportunity to thank parents, guardians and members of the community for their participation in the consultation process. I am also most appreciative of the contributions of TDSB central and school staff who were actively involved in this boundary review.

For your reference, the approved changes (reflected on the maps attached to this letter) are as follows:

- a) **That an eastern portion of McKee Public School's attendance area, illustrated as "Area A" in Appendix A – Map 1, be directed to Hollywood Public School effective 1 September 2018;**
- b) **That a southern portion of McKee Public School's attendance area, illustrated as "Area B" in Appendix A – Map 1, be directed to Avondale Public School effective 1 September 2018;**
- c) **That a southern portion of Hollywood Public School's attendance area, illustrated as "Area C" in Appendix A – Map 1, be directed to Avondale Public School effective 1 September 2018;**
- d) **That northern and eastern portions of Avondale Public School's attendance area, illustrated as "Area D" in Appendix A – Map 1, be directed to Hollywood Public School effective 1 September 2018;**
- e) **That addresses currently assigned to Finch Public School for Junior Kindergarten to Grade 5 and Avondale Public School for Grades 6 to 8, illustrated as "Area E" in Appendix A – Map 2, be assigned to Cummer Valley Middle School for Grades 6 to 8 effective 1 September 2018;**
- f) **That addresses currently assigned to Lillian Public School for Junior Kindergarten to Grade 5 and Avondale Public School for Grades 6 to 8 that are located north of Empress Avenue, illustrated as "Area F" in Appendix A – Map 2, be assigned to Cummer Valley Middle School for Grades 6 to 8 effective 1 September 2018;**

- g) That addresses currently assigned to Lillian Public School for Junior Kindergarten to Grade 5 and Avondale Public School for Grades 6 to 8 that are located south of Empress Avenue, illustrated as “Area G” in Appendix A – Map 2, be assigned to Bayview Middle School for Grades 6 to 8 effective 1 September 2018;**
- h) That a southern portion of Bayview Middle School’s attendance area, illustrated as “Area H” in Appendix A – Map 2, be directed to Avondale Public School effective 1 September 2018;**
- i) That northern and eastern portion of Avondale Public School’s attendance area, illustrated as “Area I” in Appendix A – Map 2, be directed to Bayview Middle School effective 1 September 2018;**
- j) That implementation of the attendance boundary changes be done through grandparenting:**
 - i. That all students affected by the recommended attendance boundary changes mentioned above be allowed to remain at their current school, and be allowed to keep their current middle school pathway until they graduate as long as they maintain an address in-district to their current school; and,**
 - ii. That all siblings of students affected by the recommended attendance boundary changes mentioned above but not yet attending a Toronto District School Board school be allowed to attend their currently-designated elementary school and currently -designated junior to middle school pathway until they graduate should space be available through Optional Attendance. The allowance for siblings is possible as long as there is an older sibling attending the currently-designated elementary school and they maintain an address in-district to their current school.**
 - iii. That the timing of the above recommendations be adjusted, with adequate community notice, in the case of unexpected delays in the construction of the replacement school for Avondale Public School an Avondale Alternative Elementary School.**

A full street guide listing is also available on the TDSB website for your reference.
