Jennifer Zurba, Principal Vishavdev Basanti, Vice Principal

February 26, 2026

Dear Parents and Caregivers,

We wanted to provide a brief update on the construction of the 60-storey tower at 149 College Street, located adjacent to Orde Street Public School and Orde Day Care. TDSB Planning and Facilities staff are aiming to hold an information meeting for the school community during the week of March 23 to share the findings of the developer's Construction Management Plan and to discuss next steps.

We will share meeting details as soon as they are available. As we move through this project, we're committed to keeping the school and childcare community informed through regular meetings and updates.

Sincerely,

Jennifer Zurba
Principal
Orde Street tPS
