

Dear Parents/Guardians/Caregivers and Community Members:

This letter is to update you about changes to attendance boundaries for **Lawrence Park Collegiate Institute, Leaside High School, North Toronto Collegiate Institute, Northern Secondary School, and York Mills Collegiate Institute.**

On May 21, 2025, the Board of Trustees decided that effective September 1, 2026:

- The shared secondary attendance area between Lawrence Park Collegiate Institute and Northern Secondary School be directed entirely to Lawrence Park Collegiate Institute,
- The shared secondary attendance area between Lawrence Park Collegiate Institute, York Mills Collegiate Institute, and Northern Secondary School be directed entirely to Lawrence Park Collegiate Institute,
- The shared secondary attendance area between Leaside High School and Northern Secondary School be directed entirely to Northern Secondary School,
- The shared secondary attendance area between York Mills Collegiate Institute and Northern Secondary School that falls within the Armour Heights Public School intermediate boundary be directed to York Mills Collegiate Institute,
- The shared secondary attendance area between York Mills Collegiate Institute and Northern Secondary School that falls within the Bedford Park Public School and Glenview Senior Public School intermediate boundaries be directed to Northern Secondary School,
- The following portions of North Toronto Collegiate Institute's secondary attendance area be directed to Northern Secondary School:
 - Block 1: south of Blythwood Rd, east of Mount Pleasant Rd, north of Broadway Ave, west of Mount Hope Cemetery,
 - Block 2: south of Mount Pleasant Cemetery, east of David Balfour Park Trail, north of C.P. Railway, west of Ravine Beltline Trail,

An exemption applies to current students who reside in the areas described above and their younger siblings. Current students who live within the above areas may remain at their secondary school (Lawrence Park CI, Leaside HS, North Toronto CI, Northern SS, or York Mills CI) until they graduate, and their younger siblings will be allowed to attend the same school provided their older sibling is attending that school at the time the younger sibling enters.

Furthermore, the Board of Trustees decided that effective immediately, future residential developments with four or more units that are yet to be occupied and located within the North Toronto Collegiate Institute attendance area be directed to Northern Secondary School.

The attendance boundary changes affect new Regular program students who reside in the shared attendance areas and two blocks of North Toronto CI's attendance area, as described above, looking to register for September 2026.

The boundary changes align with the guiding principles outlined in the TDSB's Long-Term Program and Accommodation Strategy (LTPAS), specifically to "establish consistent attendance boundaries across the TDSB by reviewing instances of shared boundaries where multiple schools serve students based on home addresses and split attendance boundaries that separate graduating cohorts among multiple schools."

A map of the current and 2026 attendance areas is included on page 4.
