

January 22, 2024

Dear Parents/Guardians/Caregivers and Community Members:

The Toronto District School Board (TDSB) would like to invite you to a public meeting to discuss a proposed boundary change between Niagara Street Junior Public School and The Waterfront School.

Niagara St Jr PS has experienced an increase in enrolment and is operating at capacity, which has resulted in accommodation pressures at the school. In addition, the school building and site are relatively small, which does not allow for space expansions or placement of portables for any future growth.

The TDSB has formed a Local Feasibility Team made up of central TDSB staff to discuss additional strategies to address continued accommodation pressures at Niagara St Jr PS. An attendance boundary change has been proposed to designate a portion of the Niagara Street Public School attendance boundary to The Waterfront School. The proposed boundary change would be implemented for September 2025 (please refer to attached map).

More details about the proposed change will be presented at a public meeting where parents/guardians/caregivers and community members may provide feedback and ask questions. The public meeting will be held on Tuesday, February 6, 2024, both in-person and virtually. The meeting details are as follows:
