

COMMUNITY INFORMATION MEETING #2

May 25, 2026

Invitation to attend a Community Information Meeting regarding the relocation of Orde Street Public School and Orde Day Care during the construction of the 149 College Street Development

As shared at the March 26, 2026, information session regarding the 149 College Street development, this major construction project will create disruptions that will lead to operational challenges for the school, including accessing the school itself. With that in mind, staff shared their recommendation to relocate Orde Street PS staff and students.

Since that time, staff has been diligently investigating possible options to host Orde Street PS. TDSB Facility Services and Planning staff invite you to attend a virtual meeting to learn about the host location for Orde Street PS as well as the option to relocate the Orde Day Care.

Date: Tuesday, June 2, 2026

Time: 6:30 pm to 7:30 pm
