Program Area Review Team's Proposed Scenario Presented at Public Meetings

2016

- Shared area boundary change between Eglinton Jr. PS/Hodgson Sr. PS and Northlea E & MS
- Forest Hill Jr. and Sr. PS Extended French program's Grade 4 entry cohort reduced to 1 class of 30 going forward so that program can remain at the school through to Grade 8
- Re-align intermediate boundaries for Hodgson Sr. PS, Glenview Sr. PS, and Forest Hill Jr. & Sr. PS

2017

- Grade changes at Eglinton Jr. PS/Davisville Jr. PS (English track only)/Maurice Cody Jr. PS/Oriole Park Jr. PS and Hodgson Sr. PS
- Spectrum Alternative Senior School remains a Grade 7-8 program

2020

- Assuming Davisville Jr. PS rebuild is complete; Grade 6s (English track) could stay at Davisville Jr. PS (pending space pressures at Davisville Jr. PS and Hodgson Sr. PS)
- Hodgson Sr. PS would no longer take in Grade 6 students from Davisville Jr. PS (would take in at Grade 7)

2022

- Potential boundary change between Eglinton Jr. PS and Maurice Cody Jr. PS (contingent on there being space at Maurice Cody Jr. PS and continued accommodation pressures at Eglinton Jr. PS)

Community Feedback

Shared area boundary change between Eglinton Jr. PS/Hodgson Sr. PS and Northlea E & MS in 2016

- No comments submitted

Forest Hill Jr. and Sr. PS Extended French program's Grade 4 entry cohort reduced to 1 class of 30 going forward so that program can remain at the school through to Grade 8 (2016)

- Where would additional students go?
- Why can't Forest Hill Jr. & Sr. PS students move to Hodgson Sr. PS for Extended French (6-8)?
- Will existing students be required to move next year?
- Will siblings be given priority?

Re-align intermediate boundaries for Hodgson Sr. PS, Glenview Sr. PS, and Forest Hill Jr. & Sr. PS (2016)

- No comments submitted re. Hodgson Sr. PS/Glenview Sr. PS re-alignment
- Keep existing boundaries for Oriole Park Jr. PS/Forest Hill Jr. PS ("triangle" area) – walking distance and secondary school issue
- If boundary change occurs so all of Oriole Park Jr. PS students go to Hodgson Sr. PS, align secondary boundary (Northern SS/North Toronto CI vs. Forest Hill CI) with intermediate and junior boundaries so cohort does not split at Grade 9

Community Feedback

Grade changes at Eglinton Jr. PS/Davisville Jr. PS (English track only)/Maurice Cody Jr. PS/Oriole Park Jr. PS and Hodgson Sr. PS (2017)

- Davisville Jr. PS is already overcrowded and would like to move in 2016 – 16 resource-sized classrooms, prohibitive-to-repair school
- Can Oriole Park Jr. PS Grade 6 students remain at the school?
- Delaying move until 2017 allows for smoother transition
- Can move be delayed until Hodgson Sr. PS addition is built?
- Emotional/psychological support for transitioning Grade 6 students
- Walking distance to Hodgson Sr. PS is worrisome
- Lack of childcare for Grade 6 students at Hodgson Sr. PS
- How would programming improve at Hodgson Sr. PS vs. junior schools?
- Too many portables/lack of green space at Hodgson Sr. PS
- Not enough washrooms at Hodgson Sr. PS for additional students

Spectrum Alternative Senior School remains a Grade 7-8 program

- Can Spectrum become a 6-8 School?
- Can Spectrum be moved out of Davisville Jr. PS to free up classrooms?

Assuming Davisville Jr. PS rebuild is complete, Grade 6s (English track) could stay at Davisville Jr. PS (2020)

- Davisville Jr. PS Grade 6s should remain at Hodgson Sr. PS (with other feeder school cohorts)

Community Feedback

Potential boundary change between Eglinton Jr. PS and Maurice Cody Jr. PS in 2022

- No comments submitted

Other comments

- Has redevelopment of Eglinton Jr. PS site been considered?
- Have solutions involving schools in adjacent wards been considered?
- Uncertainty over impact of residential development
- Relocate child care from Maurice Cody Jr. PS and Oriole Park Jr. PS to free up classrooms at the schools
- Community consultation process perceived as being shorter than 2008/09 PARC process

Revised Model

2016

- Shared area boundary change between Eglinton Jr. PS/Hodgson Sr. PS and Northlea E & MS
- Forest Hill Jr. and Sr. PS Extended French program's Grade 4 entry cohort reduced to 1 class of 30 going forward so that program can remain at the school through to Grade 8
- Re-align intermediate boundaries for Hodgson Sr. PS and Glenview Sr. PS
- Portion of Oriole Park Jr. PS' junior attendance area that feeds to Forest Hill Jr. & Sr. PS becomes **shared** attendance area – students in Grades 6-8 residing in "triangle" have option to attend Hodgson Sr. PS **or** Forest Hill Jr. & Sr. PS (impacts 7/8 students only in 2016, and then 6-8 students in 2017 and beyond after grade changes occur)

2017

- Grade changes at Eglinton Jr. PS/Davisville Jr. PS (English track only)/Maurice Cody Jr. PS/Oriole Park Jr. PS and Hodgson Sr. PS
- Spectrum Alternative Senior School remains a Grade 7-8 program

2018

- Hodgson Sr. PS addition is complete (tentative)

2020

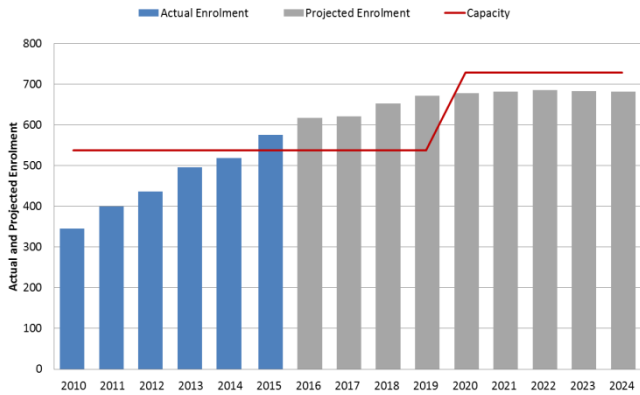

- Davisville Jr. PS replacement building is complete (tentative)
- Review accommodation options for the Davisville Jr. PS Grade 6 students

2022

- Potential boundary change between Eglinton Jr. PS and Maurice Cody Jr. PS (contingent on there being space at Maurice Cody Jr. PS and continued accommodation pressures at Eglinton Jr. PS)

4. Retain the Extended French program at Forest Hill Jr. & Sr. PS through to Grade 8 and reduce entry to 1 class for September 2016 onward
5. Grade changes from JK-6 to JK-5 at Davisville Jr. PS (English stream), Eglinton Jr. PS (English & Extended French), Maurice Cody Jr. PS, and Oriole Park Jr. PS for September 2017
6. Grade changes from 7-8 to 6-8 at Hodgson Sr. PS (English and Extended French) for September 2017
7. School name change: Hodgson Sr. PS to Hodgson MS for September 2017
8. Review accommodation options for the Davisville Jr. PS Grade 6 students upon opening of Davisville Jr. PS/Spectrum Alternative School new facility in (est.) 2020
9. Review the Maurice Cody Jr. PS/Eglinton Jr. PS boundary change in (est.) 2022

Next steps...

- Public meeting #3 on Tuesday, November 17th to share PART recommendations with community.
- Report outlining staff recommendations scheduled to be brought forth for Board approval in February 2016.
 - Prior to the Board meeting, there will be an opportunity for public to depute at the Planning & Priorities Committee, held a week prior to the regular Board meeting.
- TDSB staff continue to monitor student enrolment, demographic trends, and residential developments.
- To support long-term growth in this area, 'creative' options continue to be explored by staff (i.e., "vertical schools" and incorporating satellite spaces for TDSB classrooms or child care space in new residential developments)
