

Pupil Accommodation Reviews

The Board's Long-Term Program & Accommodation Strategy must examine areas of the City where declining enrolment has resulted in the underutilization of schools and inefficiencies in how our space is used. A Pupil Accommodation Review involves studying a school or group of schools where significant underutilization and low enrolment impact the Board's ability to deliver strong programming. A Pupil Accommodation Review, or 'PARC', will consider ways to reduce surplus space and build viable programs. The review may result in school closure.
