

# Greenland PS & Norman Ingram PS Boundary Change Review

PART Meeting #3  
December 19, 2017

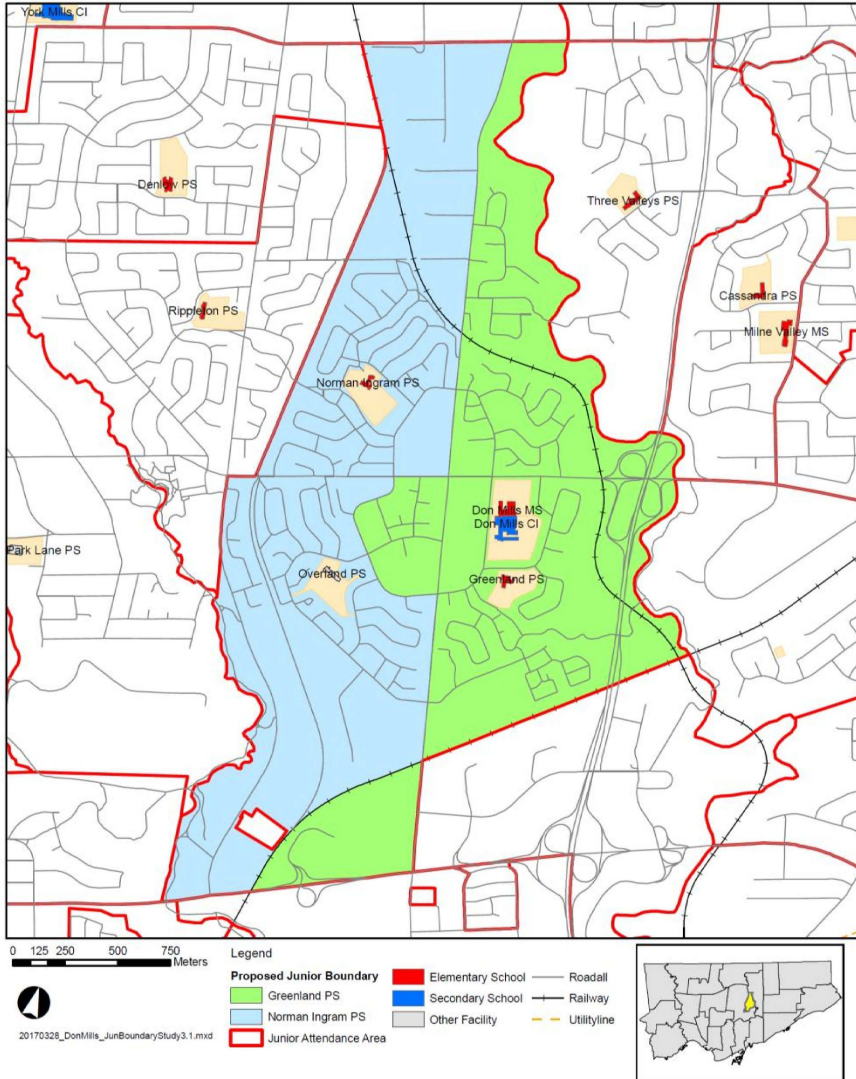

# Agenda

2:00 p.m. to 3:00 p.m.

1	New Scenario – Proposed by Public
2	Summary of Feedback from the Community
3	Proposed Boundary Change
4	Next Steps
5	Adjournment

# Scenario 3.1

- Proposed by member of the public at the public meeting
- Similar to option 3.0
- Option would mean bussing for south end of Norman Ingram boundary & north end of Greenland boundary

# Scenario 3.1

## Historic JK Analysis

### Scenario 3.1

Year	New Boundaries		
	Greenland PS	Norman Ingram PS	Grand Total
2013/2014	37	20	57
2014/2015	37	31	68
2015/2016	33	25	58
2016/2017	38	18	56
2017/2018	27	22	49
Grand Total	172	116	288
5 Year Average	34.4	23.2	
<b>3 Year Average</b>	<b>32.7</b>	<b>21.7</b>	

## Projected Enrolment

Scenario: Scenario 3.1															
School	October 31, 2017 Actual					October 31, 2022 Projection					October 31, 2027 Projection				
	Total HC	Capacity	Utilization	HC-Capacity	Portables	Total HC	Capacity	Utilization	HC-Capacity	Portables	Total HC	Capacity	Utilization	HC-Capacity	Portables
Greenland PS	156	222	70%	-66	1	346	222	156%	124	6	420	222	189%	198	10
Norman Ingram PS	209	225	93%	-16	1	182	225	81%	-43	0	163	225	72%	-62	0
Total	365	447	82%	-82	2	528	447	118%	81	6	583	447	130%	136	10
Difference	0	0	0%	0	0	-35	0	-8%	-35	0	-62	0	-14%	-62	0

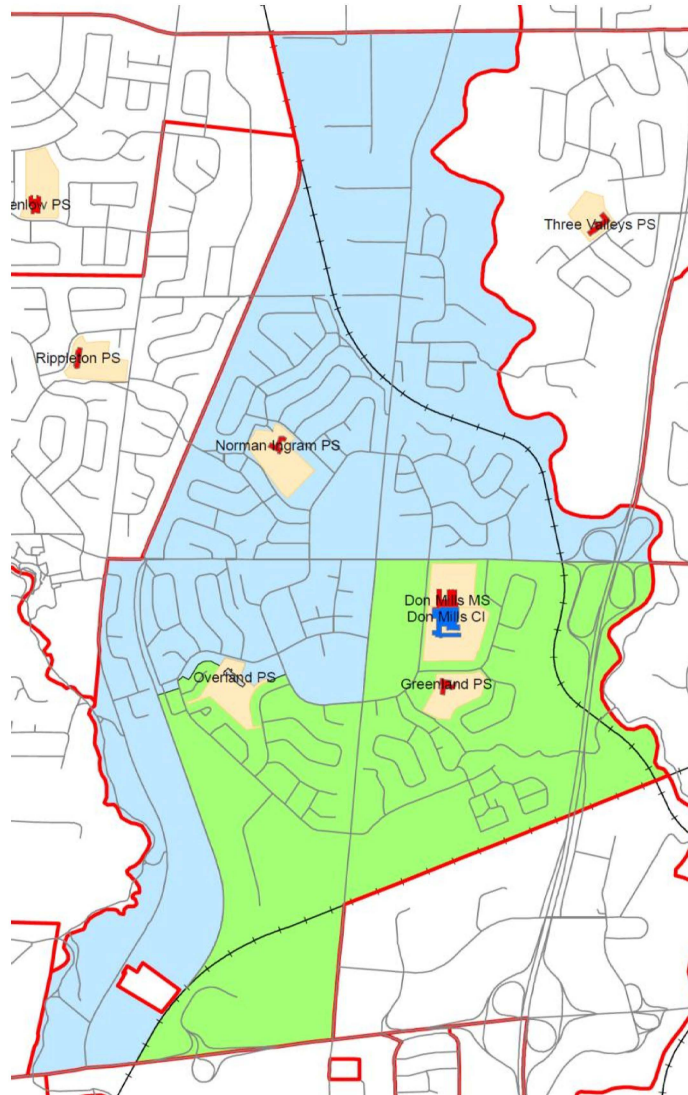

# Summary of Feedback Received

- 2 Petitions with 54 signatures have been received and 21 surveys were completed highlighting many of the following concerns:
  - Students:
    - EQAO results are higher at Norman Ingram
    - Grandfathering only affects parents with children currently in the TDSB
  - Timing:
    - 2019 is too soon for a boundary change
    - There was not enough time to provide feedback
  - Process:
    - There appears to be no need for a boundary
    - All of the development was not properly accounted for
  - Communication:
    - The wrong part of the community is being consulted
    - There was not enough notice of the public meeting
  - General:
    - The Boundary change would affect my property value
    - The Board is taking away my option to choose
    - You should re-open Overland PS

# Summary of Feedback Received (Cont')

- Positive feedback from the public included:
  - Proposed Boundary
    - The boundary will make it clear where each pupil will go
    - The boundary will help long-term planning
  - Transportation
    - All students will be within walking distance to their school
    - Eliminating a bus will save transportation costs

# Proposed Realignment of Junior Attendance Boundary

Legend

**Proposed Junior Boundary**

- Greenland PS
- Norman Ingram PS
- Junior Attendance Area
- Elementary School
- Secondary School
- Other Facility
- Roadall
- Railway
- Utilityline

# Scenario 1.1a

Scenario: Scenario 1.1a															
School	October 31, 2017 Actual					October 31, 2022 Projection					October 31, 2027 Projection				
	Total HC	Capacity	Utilization	HC-Capacity	Portables	Total HC	Capacity	Utilization	HC-Capacity	Portables	Total HC	Capacity	Utilization	HC-Capacity	Portables
Greenland PS	156	222	70%	-66	1	300	222	135%	78	4	348	222	157%	126	6
Norman Ingram PS	209	225	93%	-16	1	222	225	99%	-3	1	219	225	97%	-6	0
Total	365	447	82%	-82	2	522	447	117%	75	5	567	447	127%	120	6
Difference	0	0	0%	0	0	-41	0	-9%	-41	-1	-78	0	-17%	-78	-4

- Model assumes implementation starts in 2019
- Existing Greenland PS & Norman Ingram PS students and siblings can be 'grandparented' – Transportation will also be grandparented
- Modeling assumes full build out of residential development over 6 years – removing Celestica development drops Greenland PS to 82%

# Next Steps

- Is there consensus among the PART members that we should move forward with the preferred option (Scenario 1.1a) to change the boundaries of Greenland PS & Norman Ingram PS?

# Next Steps

- A report will be written on behalf of the PART and circulated for comments
  - If there is major disagreement with the content of the report a dissenting report can be submitted
- Staff will write an accompanying report
- The staff report, with the PART report as an appendix, will be submitted to the Planning and Priorities Committee being held on February 28, 2018
- The public will have a chance to make deputations
- The report will then be submitted for final approval at the TDSB Board meeting of March 21, 2018
