Community Feedback

Proposed junior and intermediate attendance area boundary changes

- There are still concerns with respect to the utilization at Regal Road Jr PS and Winona Drive Jr PS with the proposed boundary changes in place.
- Proposed boundary change between Regal Road Jr PS and Rawlinson CS not necessary given the numbers.
- Glad that cohort at Regal Road Jr PS will be allowed to stay together when they transition to Grade 7.
- How many siblings might there be in the Perth Avenue Jr PS boundary change area?

Proposed program relocation

- Will parents be involved in discussions regarding the possible relocation of the Section 23/FASD program?
- Where do the Section 23/FASD students live?

Other comments

- How will increased enrolment at Carleton Village Jr & Sr SWA translate into need for more staff, breakout space, and/or amenity space?
- Will more VPs be hired at Carleton Village Jr & Sr SWA?
- Have staff considered using Earls court property to address accommodation pressures?
- Have schools to the north been considered as part of the accommodation solution?
- Can Winona Drive Sr PS become a Grade 6-8 school?
- Can house next to Regal Road Jr PS be purchased?
- Given that enrolment is declining at St. Luigi, can TDSB take back more space from TCDSB?
