

April 8, 2019

Dear Parents/Guardians/Caregivers and Community Members:

You are invited to attend a public meeting to discuss a proposed attendance boundary change involving the following schools: George B. Little Public School, Berner Trail Junior Public School and Dr. Marion Hilliard Senior Public School.

The meeting will be held at **Berner Trail Junior Public School** (gymnasium), located at 120 Berner Trail, on **Tuesday, April 30, 2019 from 7:00 p.m. to 8:00 p.m.**

In 2002, the Toronto District School Board (TDSB) approved the redirection of elementary students from the Canada Lands subdivision located on the northeast corner of Tapscott Road and McLevin Avenue and the 200 McLevin Avenue subdivision located on the northwest corner of Tapscott Road and McLevin Avenue. Elementary students are currently assigned to George B. Little PS (100 students from Canada Lands and 10 students from 200 McLevin).

Space in neighbourhood schools has become available; therefore, the TDSB would like to reverse the redirection of students currently assigned to George B. Little PS and assign them locally to Berner Trail Jr PS and Dr. Marion Hilliard Sr PS. This would benefit the community as students would now be able to walk to school.

The proposed change would impact residential addresses on the following streets:

- Bon Echo Court
- Flatfield Terrace
- McLevin Avenue # 200, 232 to 320
- Pinery Trail
- Telfer Gardens

The TDSB has started a Boundary Review to analyze this option. As part of this process, school communities will be consulted before a final decision is made.

The Boundary Review is proposing that any potential change take effect for September 1, 2020 with provisions for some students to remain at their current school. The details of the grandparenting possibility will be explained at the public meeting.

The information provided at the April 30, 2019 meeting will be available on the TDSB website: www.tdsb.on.ca/AccommodationReviews. Click on "George B. Little PS, Berner Trail Jr PS and Dr. Marion Hilliard Sr PS" under the "Boundary Change Review" section.
