Dear Parents, Guardians and Community Members:

I am writing to inform you that the recommended boundary and grade changes concerning the Program Area Review for Dublin Heights Elementary and Middle School, Faywood Arts-Based Curriculum School, John Polanyi Collegiate Institute, Ledbury Park Elementary and Middle School, Summit Heights Public School, and William Lyon Mackenzie Collegiate Institute were approved by the Board of Trustees on May 22, 2019.

These changes will reduce enrolment and accommodation pressures at the largest schools, minimize the use of portables, reduce transitions, designate a single school to home addresses and maintain the ability to make future changes.

For your reference, the approved recommendations (reflected on the maps attached to this letter) are as follow:

- a) Summit Heights Public School be converted from a Junior Kindergarten to Grade 6 school to a Junior Kindergarten to Grade 8 school, retaining Grade 7 effective 1 September 2020 and Grade 8 effective 1 September 2021;
- b) The shared intermediate attendance area for Faywood Arts-Based Curriculum School and Dublin Heights Elementary and Middle School be assigned to Faywood Arts-Based Curriculum School, as shown in Appendix A of the report, effective 1 September 2020;
- c) The shared intermediate attendance area for Dublin Heights Elementary and Middle School and Ledbury Park Elementary and Middle School be assigned to Summit Heights Public School, as shown in Appendix A of the report, effective 1 September 2020;
- d) The portion of the secondary attendance area for John Polanyi Collegiate Institute north of Highway 401 be assigned to William Lyon Mackenzie Collegiate Institute, as shown in Appendix A of the report, effective 1 September 2020; and
- e) All students affected by the recommended attendance area changes mentioned above be allowed to remain at their current school until they graduate.

I would like to take this opportunity to thank parents, guardians and members of the community for your participation in the consultation process. I am also most appreciative of the contributions of TDSB staff who were actively involved in the review.

Sincerely,

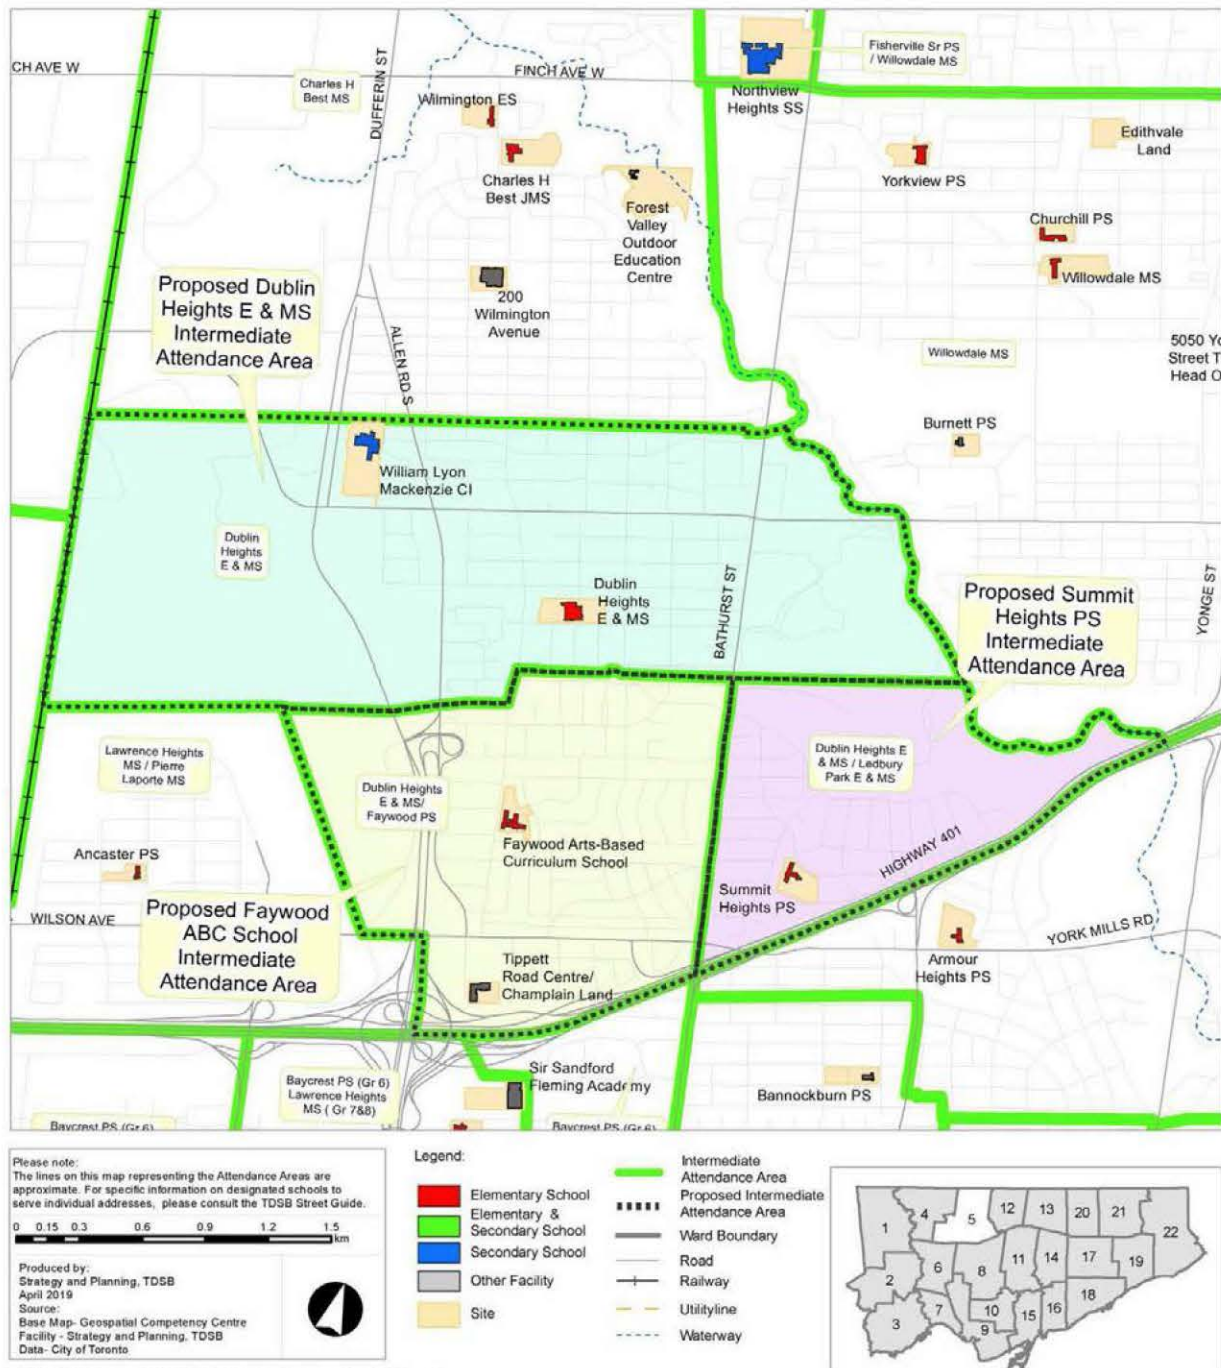

Linda Curtis
Superintendent of Education LN 12
