Dear Parents/Guardians/Caregivers, Students and Staff:

We are writing to inform you of a request we have received from Gabriel Dumont Non-Profit Homes to acquire a small strip of land along the north edge of the parking lot at Maplewood High School.

Gabriel Dumont Non-Profit Homes (GDNP) owns the housing complex to the north of Maplewood High School. The housing complex serves Indigenous communities. There is great demand in the local Indigenous communities for affordable housing. In response, GDNP is proposing to expand the number of units in the complex by constructing 67 additional affordable housing units. To do so, GDNP needs to acquire a small amount of land from the Maplewood High School property.

The land is a narrow strip along the north edge of the school's parking lot. It is approximately half an acre in area. The land is unused by the school.

The Board of Trustees has directed TDSB staff to explore this proposal and report back to Board with a recommendation. The City of Toronto and the TDSB's Urban Indigenous Community Advisory Committee are highly supportive of this proposal and recommend it be expedited.

A survey and geotechnical studies are being conducted on the land. A community meeting will be held in January 2023 to share more information on the proposal. We will send you an invitation to the community meeting in the near future. Following the community meeting, TDSB staff will report back to the Board of Trustees with a recommendation.

Attached to this letter is an aerial photo that shows the location of the strip of land on the Maplewood High School property that GDNP wishes to acquire.
