Dear Parents/Guardians/Caregivers and Community Members:

We are writing to inform you that the consideration of the report on the Program Area Review for Kensington Community School, King Edward Junior and Senior Public School, Orde Street Public School and Ryerson Community School **will be deferred to the September 29, 2025 Planning and Priorities Committee meeting**. Senior TDSB staff have requested more time to consider the impact of the recommendations contained within the report and to better understand how a proposed residential development north of Orde Street Public School may influence those recommendations.

In recent weeks, staff from the TDSB and Toronto Lands Corporation have been engaging with the developer of 149 College Street, where a 60-storey tower has been proposed adjacent to Orde Street Public School. Staff have requested that the developer submit a construction management plan so that potential impacts to the operation of the school because of construction could be appropriately assessed. This report was received on May 28, 2025.

Staff will be reviewing this information in the coming months to identify any mitigating measures that may be required to reduce disruptions to students.

In mid-September, TDSB Planning staff will share information with the community on any changes to the reporting schedule or to the recommendations presented in the report. Pending any changes, the Planning and Priorities Committee meeting on September 29th will be an opportunity for members of the community to make a delegation to the Board of Trustees.

We apologize for any inconvenience this may have caused.

Sincerely,

A handwritten signature in black ink, appearing to read "Erin Altosaar".

Erin Altosaar  
Superintendent of Education FOS 09
