

June 19, 2025

Dear Parents/Guardians/Caregivers and Community Members:

This letter is to provide an update regarding the Etobicoke Secondary Alternative School (ESAS) relocation to Rexdale Learning Centre.

On June 18th, the Board of Trustees approved the relocation of ESAS from 160 Silverhill Drive to the Rexdale Learning Centre, located at 30 Barrhead Crescent. This change will take effect September 1, 2026. The approved new ESAS site is illustrated in the attached map.

This review was contained in the Toronto District School Board's Long-Term Program and Accommodation Strategy. The relocation of ESAS is necessary to allow for the construction of a new elementary school on the current 160 Silverhill Drive site. After a detailed review and community consultation process, the Rexdale Learning Centre was identified as the most suitable location to meet the needs of ESAS students and staff.

Please note that ESAS does not have a defined attendance boundary, and as such, transportation is not provided by the TDSB. Students and their families will continue to be responsible for travel to and from school.

A Transition Planning Team will be established in Fall 2025 to help support students, staff, and families with the move to the new location. Information and updates related to the relocation of ESAS, including opportunities for engagement and planning activities, will be shared with the school community throughout the 2025–26 school year.

More information about this Program Area Review can be found at the link below:

We would like to thank all the parents/guardians/caregivers and community members who dedicated their valuable time by participating in the consultation process and attending the public meeting.

If you have any questions, please contact your Principal and/or Superintendent.

Sincerely,

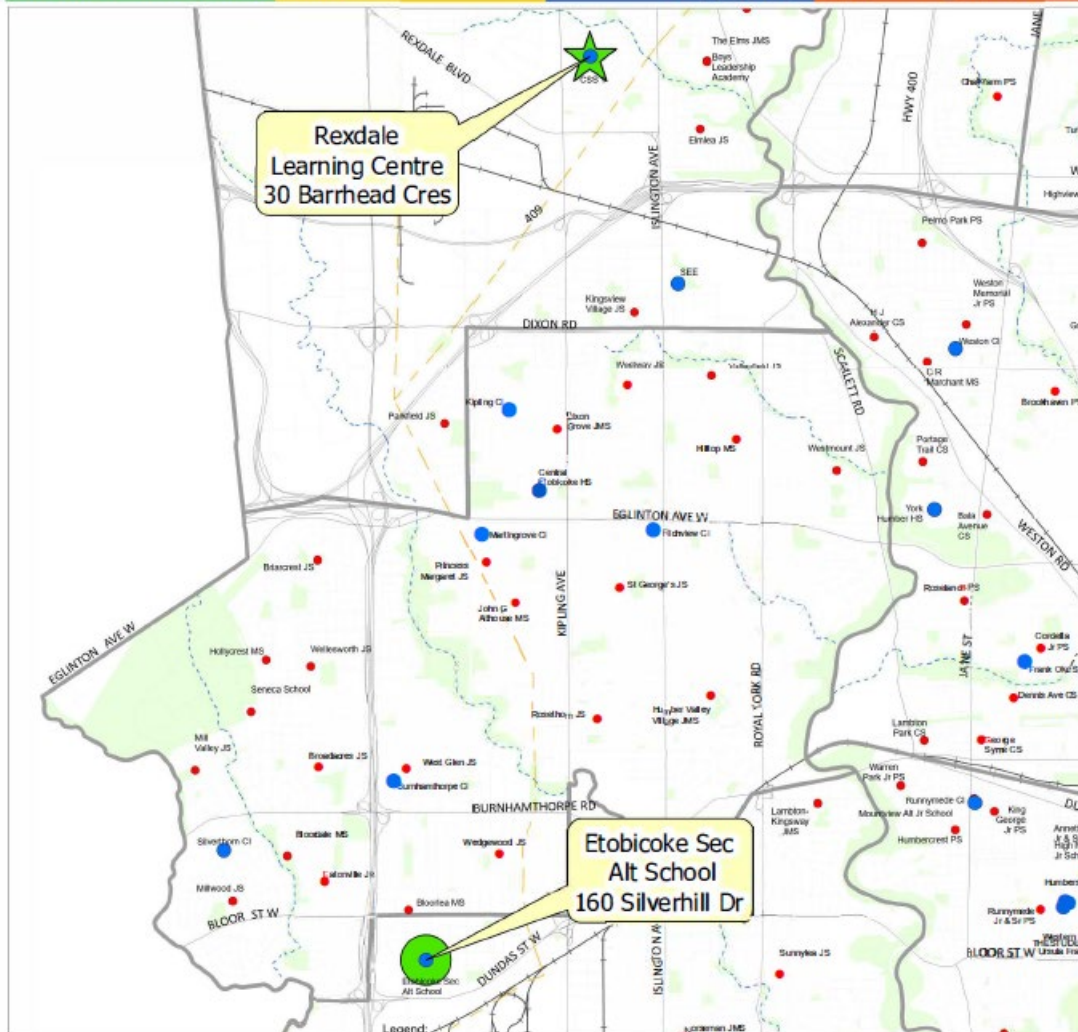

A handwritten signature in blue ink, appearing to read "Jim Spyropoulos".
