

November 19, 2025

Dear Parents/Guardians/Caregivers and Community Members,

This letter is to update you about the attendance boundary changes for Etobicoke Collegiate Institute and Richview Collegiate Institute.

On October 22, 2025, Supervisor Rohit Gupta decided that effective September 1, 2026:

- The split Humber Valley Village Junior Middle School attendance area between Etobicoke Collegiate Institute and Richview Collegiate Institute be directed entirely to Richview CI (Regular program).

An exemption applies to current students who reside in the areas described above and their younger siblings. Current students who live within the above area may remain at Etobicoke Collegiate Institute until they graduate, and their younger siblings will be allowed to attend the same school provided their older sibling is attending that school at the time the younger sibling enters.

The boundary changes align with the guiding principles outlined in the TDSB's Long-Term Program and Accommodation Strategy (LTPAS), specifically to "establish consistent attendance boundaries across the TDSB by reviewing instances of shared boundaries where multiple schools serve students based on home addresses and split attendance boundaries that separate graduating cohorts among multiple schools."

For information about this review, please visit the TDSB's public website:

<https://www.tdsb.on.ca/About-Us/Strategy-Planning/Search-All-Reviews/id/211>

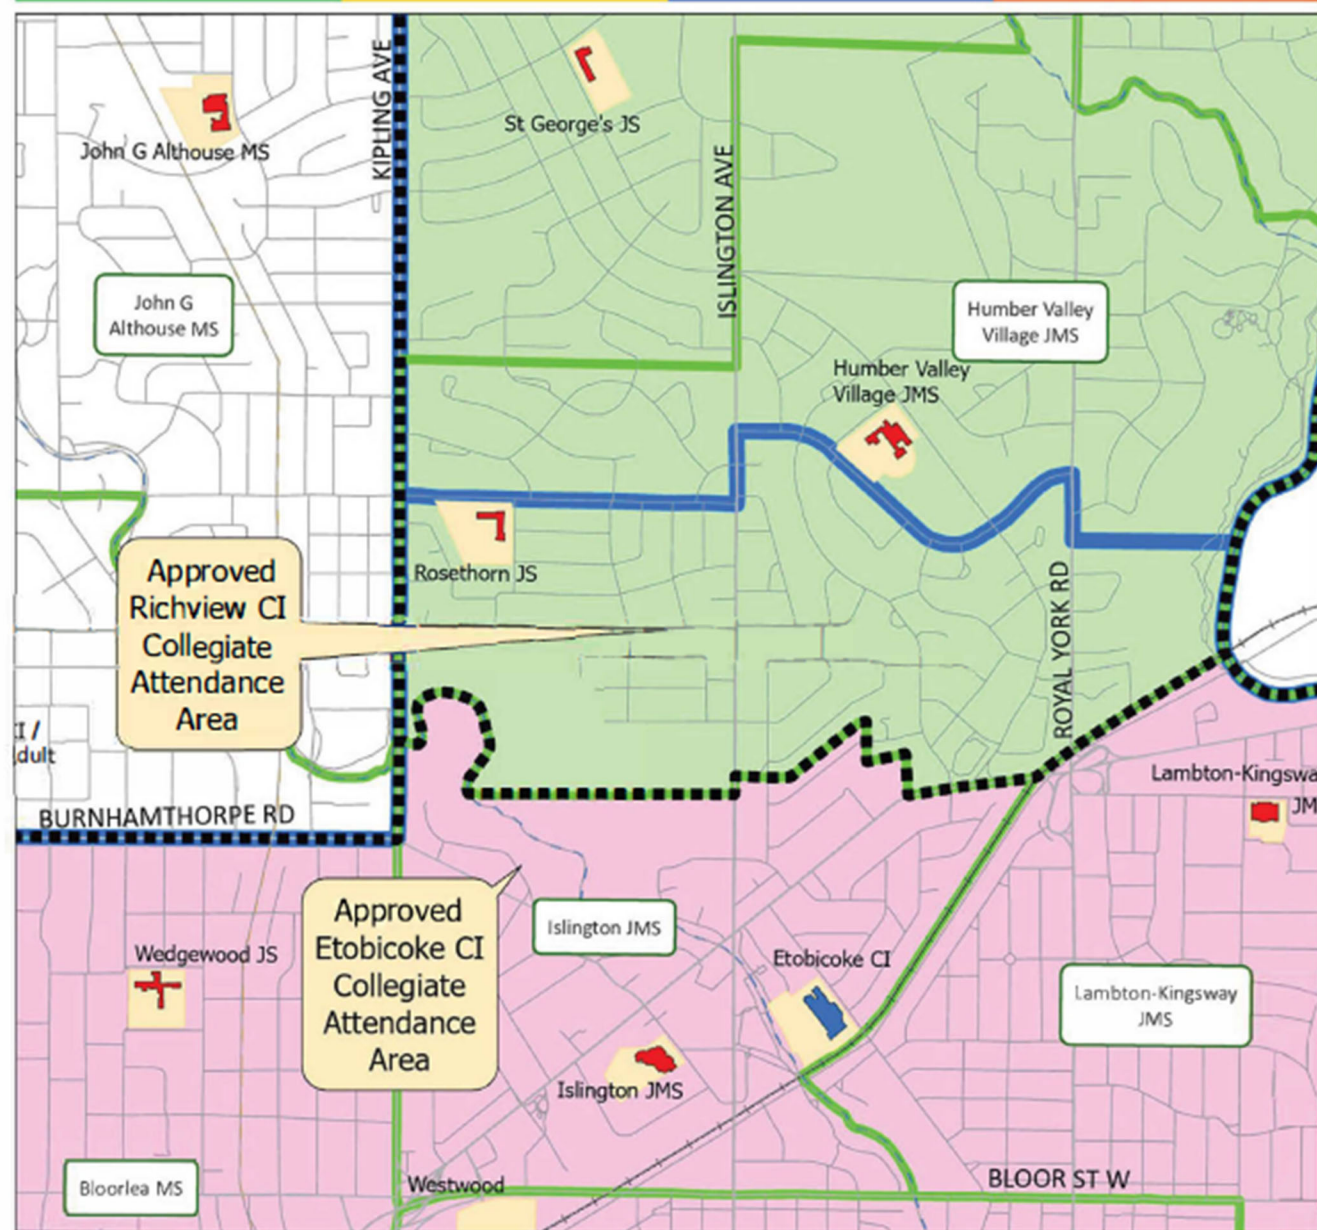

We would like to thank all the parents/guardians/caregivers and community members who dedicated their valuable time by participating in the consultation process and attending the virtual public meeting.

If you have any questions, please contact your Principal and/or Superintendent.

Sincerely,

A handwritten signature in black ink, appearing to read 'H. Ghuman'.

Harpreet Ghuman
Superintendent of Education
Family of Schools 3

Please note:
The lines on this map representing the Attendance Areas are approximate. For specific information on designations of schools to serve individual addresses, please consult the TDSB Street Guide.
