

COMMUNITY INFORMATION BULLETIN #1

March 30, 2026

**Re: Orde Street Public School and Orde Day Care
149 College Street Development Proposal**

Thank you to those who were able to attend the information session last week regarding the development at 149 College Street, which included a presentation by TDSB Facility Services and Planning staff and an opportunity for parents and caregivers to ask questions.

The 149 College Street development is a 60-storey mixed-use building that will be constructed next to Orde Street Public School. As shared at the meeting, major construction projects can create disruptions and disturbances that can lead to operational challenges for nearby properties, particularly schools.

Based on the significant impacts that construction will have on the school, staff feel it is necessary to relocate Orde Street Public School to another site during the construction.

Although challenging, relocation would mitigate against on-site operational issues, including safety concerns, as well as any unforeseen impacts or delays. Orde Street Public School will remain on-site for as long as possible; however it could need to relocate as early as September 2027 based on construction timelines shared by the developer. The school could be operating from a different location for 3 to 4 years, or until tower construction is complete.

Staff will share further information with the community once a relocation site has been identified.

Information will continue to be shared on the TDSB website at:
