

## COMMUNITY INFORMATION BULLETIN #3

June 3, 2026

**Re: Orde Street Public School and Orde Day Care  
149 College Street Development Proposal**

Thank you to those who were able to attend the information session on June 2, 2026, regarding the relocation of Orde Street PS staff and students, due to the 60-storey development at 149 College Street.

As shared at the meeting, this major construction project will create disruptions and disturbances that will lead to significant operational challenges. As a result, Orde Street Public School and Orde Day Care will be relocated to alternative sites during this construction.

Beginning in the 2027-28 school year, and for the duration of construction at 149 College St, Orde Street PS will relocate into the Heydon Park Secondary School building at 70 D'Arcy St. – approximately 700 metres away. The building will be renovated to accommodate the needs for an elementary school.

In addition, Orde Day Care will be relocated to the Contact Alternative School, where the Orde Day Care Satellite site is already located.

While we recognize that a relocation is challenging, we believe it's the best option for students given the on-site operational issues, safety concerns, as well as any unforeseen impacts or delays. Orde Street Public School will remain on-site for as long as possible; however it may be necessary to relocate as early as September 2027 based on construction timelines shared by the developer. It is anticipated the relocation period will be three to four years, or until tower construction is complete. These same timelines are applicable to the relocation of the Orde Day Care.

Information, including the presentation from the June 2, 2026 meeting and a Frequently Asked Questions document, will continue to be shared on the TDSB website at: <https://www.tdsb.on.ca/About-Us/Strategy-Planning/Search-All-Reviews/id/215>
