

April 12, 2024

Dear Parents/Guardians/Caregivers and Community Members:

The Toronto District School Board (TDSB) would like to invite you to a public meeting to discuss a proposed boundary change affecting the following schools: Hollywood Public School, Bayview Middle School, and Avondale Public School. The meeting will also discuss the redirection of new residential developments from Avondale Public School to other elementary schools outside of the immediate area.

As you may be aware, the TDSB recently undertook a Program Area Review that concluded in April 2023 with a decision by the Board of Trustees to relocate Avondale Elementary Alternative School to Bayview MS for September 2024. This review was a response to the school's growing enrolment and the portables added to the adjacent Oakburn property.

The relocation of Avondale Elementary Alternative School will free up six instructional spaces for the use of Avondale PS in September 2024, which reduces the need for any additional portables in the near term. Enrolment at the school, however, is anticipated to continue to increase and portables will continue to be necessary for the foreseeable future.

The TDSB has formed a Local Feasibility Team made up of TDSB staff and Trustees to discuss additional strategies to address continued accommodation pressures at Avondale Public School. An attendance boundary change has been proposed to designate portions of the Avondale PS attendance boundary to Hollywood PS and Bayview MS.

The Local Feasibility Team is recommending that existing students at Avondale Public School residing at the impacted addresses be allowed to continue at Avondale PS. New students residing at these addresses without a sibling already attending Avondale Public School would have Hollywood PS and Bayview MS as their designated home school. If approved by the Board, the proposed boundary change would be implemented for admission in September 2025. Please refer to attached map.

The proposed redirection of new residential developments would occur immediately with Board approval scheduled for June 2024.

More details about the proposed changes will be presented at a virtual public meeting where parents/guardians/caregivers and community members may provide feedback and ask questions. The public meeting will be held on Thursday May 2, 2024. The meeting details are as follows:
