Dear Parents, Guardians, Caregivers, and Community Members:

The Toronto District School Board (TDSB) would like to invite you to a public meeting to discuss proposed changes that may affect the schools listed above.

The TDSB has approved the creation of a “Program Area Review Team” (PART) made up of caregiver and TDSB representatives to look at possible options to address continuing overcrowding at the Avondale Public School site. An option being considered is the relocation of Avondale Elementary Alternative School to Bayview Middle School. After looking at several possible sites, staff considers Bayview MS to be the most viable option due to its location and availability of space. As part of this option, students in Grade 6-8, who have been redirected to Woodbine MS, will be able to choose to return to Bayview MS.

Please note that no decisions have been made yet. As part of the review process, parents, guardians, caregivers and community members will have an opportunity to provide feedback and ask questions at the public meeting. The PART may consider new options suggested at the meeting.

Participants must pre-register to join the virtual public meeting using this link:
