Dear Parents/Guardians/Caregivers and Community Members:

The Toronto District School Board (TDSB) would like to invite you to a virtual public meeting to discuss a proposed attendance boundary change involving Secord Elementary School, DA Morrison Middle School, Crescent Town Elementary School, and George Webster Elementary School. New students within the expanded Crescent Town ES attendance boundary would attend George Webster ES for Grades 5 to Grade 8.

Secord Elementary School has been experiencing significant enrolment growth due to demographic changes and new residential development that have resulted in enrolment exceeding capacity at the school. To address overcrowding at the school, the following actions have been taken:

- Additional portable(s) placed on site
- Redirection of all future residential developments to local schools with capacity

The TDSB has formed a Local Feasibility Team made up of central TDSB staff to discuss additional strategies to address continued overcrowding at Secord ES. An attendance boundary change has been proposed to designate a portion of the Secord ES attendance boundary to Crescent Town ES.

Further details about the proposed attendance boundary change will be presented at a public meeting where parents/guardians/caregivers and community members will have an opportunity to provide feedback and ask questions.
