School Data (abbreviated data)

The projections were calculated in the 2016-2017 school year for the period 2017-2018 to 2037-2038. They do not reflect recent enrolment trends that emerged in the fall of 2016 or Board decisions on grade range, boundaries, and program locations made in the 2017-2018 school year. Enrolment projections are revised each spring and are made available in the following year.
