

Next-Steps Employment Centre – Riverdale

Free Online Information Session: The Discover Ability Network and ALiGN

The Discover Ability Network and ALiGN helps job seekers with disabilities to connect with employers who value the skills and abilities that people with disabilities bring to the workplace.

Join us as we explore a new matching technology that may make a difference toward broadening your network with employers.

Showcase your skillsets knowing that top employers are focussing on your interests, skills, abilities and passion within your field – not your disabilities.
